Mr. Pendicton.

the propo ed "Pendleton Escort," is please

Imately draw such an intrene from the ar-ticle which is quoted from our columns. Wi think it would have been more logical to have reached u different conclusion from our re-marks. We deprecated the action of certain riends of Mr. l'endicton as calculated, in our gment, to moure, and not to benefit him would have equally regretted to see the change the current of popular indicat in it a simple expression of opinion, in the form of Democratic C rention make any offert un-inly to influence the sent ment of the party 1) ar attilished toward Mr. Pesoteten is early

defined. We recognize in him a statement whom we can warmly and heartily anyport of the nonsince of the consultion. We seen to the limit the parties who has been tend used by the D micra in convention of Kentacky as the first choice of the Democrats of this St. ic. We could have preferred if the delegator to the National Convention had been Mr. Pendelton or any other candidate. We think that the largest latitude about have been left to the del gates from all the Stater But, on the Kentacky convention de med it proper to give expression to their preferences in a very decided form, we certainly have no disposition to take exceptions to their action now. We expet the delegates a point of once its accordance with the lateraction to the contraction of the lateraction to the contraction of the lateraction to the lateraction truction they have to street, with the rin-fin nee to secure the normal an of Mr. Pea-dicton as long a be shall be do used the best choice of the Domoracy. But it, after a fall change of tiens with other destrois esa of the party, whice, in the language instruction, "is essential to the process vation of constitutional liberty," the del ercise the discretion which belongs to every

delegate under auch circumstaness Kentucky is sure to cost her vote with one of the re She has expressed her preference for the tr vorite son of Oalo, but does not think it positic in advance her own pred resect in two argent a manner. The positical buttle-fleid will be in the States north of the Ohlo, and to the Democrata of that accion Kentucky is will ag to d for the hore of their standard

ton Escort" cann it be limitarily construct as manifesting opposition to Mr. Pendleton ratic Convention of the blate. But, common with all who have the interests of the large. Than we see the countries shoug the party at he rt, we regr I those impolitic dent oustrations which are calculated to imprethe country with the belief that Mr. Pendleton this grand enterprise to assured. the constry with the helief that Mt. Fredition is the representative of a laction, instead of helig the exponent of the views of the Democratic party. It is certainly not in accordance with Democratic precedent to see an organized and a uniformed body of men, claiming to be the resilience of a particular excitation. partisans of a porticular candidate, setting of their favorite. Each a parade might ac cord with Radioni ideas of propriety, but does not, the our opinion, only the conserve ive not, the one spinion, out the conserve ive ladice were at work on tag from the richty induced vi we of Demo-racy. If the movers of this table able to out of the "local." they have raponeed, we think the ir purpose will be detected. It with not add to the strength of Mr. Peudletou, but is calculated to weaken his protton by anakening an apprehension that his claims are peculiarly ander the protection of only a small portion of the party. We think Mr. Peudleton himself must disapprove of the indiscretion of some of his triends; for it to true a patriot to each to torre a nome institute may proposite to the triends. The party. His record to this respect is fault. the party. His record to this respect is faultparket. As the first chiecot the Kontucky
